Please arrive at Lynwood by 10am on June 16 to pack the bus, and we will leave at 10:30am. We will stop in Paducah for lunch and arrive at camp at 2pm. Bus lists and Rooming list will be available that morning.

Return

Our estimated return time is 1:30pm on June 21.

Cell Phones & Gaming Devices

We have had issues in the past regarding cell phones and they have become a distraction. Cell phones will be collected once we arrive at Camp, given back during free time in the afternoon, and collected again after dinner. If you need to speak to your student, please contact me at 573-382-7224.

No Headphones Or Earbuds Please

When students put on headphones, they do not interact with others. In order to build up relationships within our student ministry, **we ask that students leave ALL headphones and earbuds at home.**

Clothing

Please see the enclosed Packing List and make note of swimsuit attire.

Males & Females: NO TANK TOPS OF ANY KIND!!!! Please leave these at home.

Lodging, Snacks & Drinks

Students may bring snacks and drinks with them, but make sure they are clearly labeled. We will have access to a refrigerator in the lodge. Students will also have opportunity to purchase snacks at the shack during the week, and one day we will collect money for milkshakes. Students are also encouraged to give toward the Missions Offering during the week. Our lodge will accommodate 72 students and leaders, and the remaining 14 participants (all males) will be staying at the Camp Motel with leaders. Rooming list will be available on June 16.

Camp Photos

We will be taking lots of camp photos and posting those on our Facebook & Instagram page for parents and friends to keep up with and enjoy.

Miscellaneous

Pray – Please pray that our students hear from God during the week, grow in their desire to follow Him, and grow in unity and connect with each other. I am expecting God to do great things.

Visitors – If you are planning to visit camp, please let Jeff know ASAP and check out the camp visitation policy at www.gocrossings.org/visitors

Behavior – We expect students to follow the expectations listed on the form that each parent and student signed, which is kept on file. Any student who repeatedly and blatantly does not follow those expectations will be sent home at parents' expense.
